

Alabama Law Enforcement Agency VISITOR LOG

In accordance with FBI CJIS Security Policy, the Alabama Law Enforcement Agency must maintain a strict visitor policy to ensure that access to ALFA, its facilities, and information systems are protected, and to ensure correct, legal, and efficient access, dissemination and use of the information maintained and made available through our systems. ALFA also is required to maintain a Visitor Log of all visitors, to include at a minimum the following data: Date and Time of visit; Name of Visitor; Purpose of Visit; Name of ALFA staff/person member visiting; and the date and time of departure. Visitors must be escorted by an ALFA employee at all times while they are in ALFA's facilities.
